Indiy, the new music services app that helps musicians to reach out to new audiences, despite the COVID-19 lockdown

**[Athens Greece]:** The COVID-19 lockdown has largely affected the live music industry, leaving indie musicians worried about their careers. But here comes some good news...

Indiy is the New Revolutionary Music Marketplace helping musicians to stay connected.

Aptly named, Indiy is a digital marketplace connecting musicians with the music services they need to build a music career. They believe that as a music artists you can "Do It Yourself"

A place online to buy and sell music services and reach out to millions despite what's happening in the world!

Indiy enables musicians to create their songs and products in a digital space and get their music heard worldwide, right from the safety of home or safe locations.

Based in Athens, Indiy is a rising music industry startup which has generated a huge storm across the worldwide music space of late.

The award-winning company won Brand hackers in Athens at the end of 2019 and has already been shortlisted in the "Top 5 Greek Startups" in Startup Greece Week.

The app currently boasts a solid 5 on 5 star rating given by its music industry users.

"Our aim is to empower people to create and make money from their music, both here in Greece and the whole world, especially given the current situation with Covid-19," stated Chris Hocking, the CEO at Indiy.

Designed by musicians for musicians, Indiy represents a cutting-edge online P2P marketplace where music artists/professionals from all across the world get equal opportunity to sell and buy music services and reach new audiences.

The startup is set to revolutionise the current music industry and make it more accessible, fairer and easier to progress in for any budding music artist.

Indiy also offers free playlist submissions at [indiy.com/submit](https://indiy.com/submit) for member-musicians from all across the world. From rock to hip hop to country songs to R&B to trap- Indiy caters to musicians from almost all genres.

Speaking to CEO Chris Hocking he said "Indiy is driven by the mission to create a new music industry which will be built on the power of human connections and true talent, instead of "big music" control and exclusion!"

The Indiy app connects their members with all the essential services they need to take their music to the world and make it big with their art.

"Indiy will connect you to any kind of service or assistance you need to launch and scale up your music career, in the current fiercely competitive music space. Whether you need help with mixing and mastering services or music lessons or vocal artists for your song or require assistance with promotion of your music- we help with all these and more. You can also count on us for legal advice and PR assistance. Indiy will be by your side at every step of your journey."
